

# GPA24 - Satellite navigation antenna (with choke ring and radome) set

Type designation: **GPA24**

PN (RN): **2042.000.85**

Set consists of GPA24 antenna with choke ring and radome and documentation. For basic operation no other components are required. This antenna can be installed in fixed locations. Antenna consists of a GPA24 satellite navigation antenna and a choke ring. Choke ring provides to GPA24 antenna high immunity to both RFI and multipath effects especially in the undulated terrain. For more details see the device page.
